**Steve E Mullinax : Confederate Belt Buckles and Plates** before purchasing it in order to gage whether or not it would be worth my time, and all praised Confederate Belt Buckles and Plates:

0 of 2 people found the following review helpful. confederate belt bucklesBy Claude Micheal Pontonthought it would have more details about buckles and coin buckles not much more to say about the book ok.1 of 2 people found the following review helpful. The Premier Expert On CSA Belts BucklesBy dugspringThe best research tool by the best authority on CSA belts and buckles. Should be in any collectors library doing research or that is a digger for identification of dug CSA buckles
