**Richard A. Spears : Contemporary American Slang: An Up-To-Date Guide to the Slang of Modern American English (Ntc English-Language References)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary American Slang: An Up-To-Date Guide to the Slang of Modern American English (Ntc English-Language References):

5 of 6 people found the following review helpful. Extensive and easy format!By A CustomerThis book is a good reference book for writers and for those with an interest in our changing culture. I borrowed this book from my public library, but decided to purchase it because I didn't want to give it back at the end of my loan period.

The 1,700 entries contained in Contemporary American Slang represent the most current general slang expressions used in the United States today. Each entry has at least two example sentences that illustrate how expressions are used in everyday language, and helpful cross references make it easy to locate similar, shortened, or abbreviated expressions.
