Daniel J. Cassidy : Dan Cassidy's Worldwide College Scholarship Directory: Thousands of Top Scholarships Throughout the United States and Around the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Dan Cassidy's Worldwide College Scholarship Directory: Thousands of Top Scholarships Throughout the United States and Around the World:

Dan Cassidy's new and revised information-packed guide lists thousands of America's top undergraduate scholarships, grants, and awards, plus thousands more from 75 countries around the world. Dan Cassidy's Worldwide College Scholarship Directory pulls together information that is virtually impossible to get on your own because of language and cultural barriers. It is organized by sections to help you find the correct information for your situation. You will also find: - A comprehensive listing of financial awards indexed alphabetically, geographically, and by field of study. - Tips on applying that give you the best chance of winning the award. - Complete application information listings, including scholarship name, address, phone number, amount of award, deadlines, eligibility requirements, and a brief description. - A sample letter you can use to request information. - A helpful listing of national organizations, books, pamphlets, and other informational materials to help you in your search.
