Un manual til y prticoBy Enrique BoresUn manual, ya clsico, muy til para toda persona buscando darle un giro a su vida laboral y para todo buscador de empleo. Parte desde la base, con los propsitos de vida, y llega hasta encontrar las pautas para perseverar. Ayuda al lector, mediante ejercicios valiosos, a hacerse preguntas de fondo y a generar respuestas.0 of 0 people found the following review helpful. I love the English versionBy T. WelchI gave this as a gift and the recipient said it has already helped them. I love the English version. It is my favorite job hunting/ career finding book.0 of 0 people found the following review helpful. El libro de bsqueda de empleo ms vendido en el mundo. Diez millones de ejemplares vendidos. ste no es el Paracadas que ley su padre, ni tampoco el que ley su madre. Ambos se sorprenderan con los cambios. Por espacio de cuarenta aos, las personas que buscan empleo o un cambio de profesin han recurrido al libro de bsqueda de empleo ms popular del mundo, confiados en que cada edicin les ofrecer la informacin ms actualizada sobre el mercado laboral y cmo encontrar un empleo significativo, incluso en tiempos econmicos tan difciles como stos. Esta edicin del 40 aniversario se ha renovado en experiencia, relevancia y carcter urgente con nuevas invenciones e informacin. Y este ao es la fuente vital para ayudar a los habitantes del mundo a recuperar sus empleos. ENGLISH DESCRIPTION This is not your fathers Parachute; and not your mothers, either. Theyd be astounded at the changes. This book keeps building--in insight, helpfulness, relevance, and urgency--through new invention and information each year. And this year its the critical resource to help Americans (and others) get back to work. For forty years now job-hunters and career-changers have been turning to this, the worlds most popular job-hunting book, confident that each new annual edition will give them the most up-to-date information about the job-market and how to find meaningful work--even in the midst of challenging economic times such as these. This years edition of What Color Is Your Parachute? has been vastly rewritten, because job-hunting has increasingly become a survival skill. Career expert Richard N. Bolles describes the five strategies most needed to survive, and explains how to incorporate social media tools such as LinkedIn, Facebook, and Twitter into your job-search. The new ideas are wrapped around the familiar core message of Parachute: WHAT, WHERE, and HOW, with an emphasis on finding your passion and identifying your best transferable skills. With fresh insights into resumes, networking, interviewing, salary negotiation, and how to start your own business, this book will give you the tools, exercises, and motivation you need to find hope, land a job, and fulfill your purpose in life. In the words of Fortune magazine: Parachute remains the gold standard of career guides.
