Although I noticed that the Used versions of this book were triple the price of the new version. Still, this is an entertaining book that anyone looking to learn a little more into the Spanish language and some slang (no, not just the bad words) will enjoy.5 of 6 people found the following review helpful. It's OK but not comprehensiveBy LAGI work as an interpreter and it has come in handy for some colloquial terms and bad language but it does not include some pretty common terms and sayings so it's not 100% dependable.0 of 2 people found the following review helpful.
