Beautifully illustrated and exceptionally well written as an instruction book.2 of 2 people found the following review helpful. Thank you!By gina taylorI use this with my high school students. I teach airbrush I and II and this book is a great resource for my students to find and practice techniques. Thank you and I look forward to doing business with you again.2 of 2 people found the following review helpful. encyclopedia is right.By Richard D. Willthis book is alittle out dated from 1996. I'm not sure who this book was written for, it's written to teach airbrush painting it's more for those who have been at it for a couple of years.
