I'll read itBy s3weThe most simplistic objects in your home become easier to translate from English to Spanish or vice versa once you read through this the first time.0 of 0 people found the following review helpful. Easy tool for Child who wants to become bi lingualBy HummingbirdTHIS was a gift for a 6 year old native Spanish speaker. He can easily see the picture and name of the item in english and spanish. Great tool.0 of 0 people found the following review helpful. Okay, if you like black and white photos....By JWLooks are deceiving. The outside cover is beautiful. However, when you open the paperback book, everything is in basic black

and white. It may be okay for an adult's quick reference, but I doubt a child is going to find it engaging. Also, it does not offer any pronunciation guidance at all. On the bright side, it was made in the USA so I am giving it 3 stars.
