Swahili is spoken by over 50 million people. Of that group, the most common second language is French. Thus, this dictionary is a handy tool for anyone living or traveling in Africa where Swahili and French are widely spoken. It contains a section on frequently used words and phrases, a pronunciation guide, a verb conjugation table, and some interesting Swahili proverbs. This, of course, is in addition to over 4000 English words translated into Swahili and French.
