Deana Alonso-Lyrintzis, Brandon Zaslow : Entre mundos: An Integrated Approach for the Native Speaker (2nd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Entre mundos: An Integrated Approach for the Native Speaker (2nd Edition):

0 of 0 people found the following review helpful. One of the best for a native Spanish curriculumBy LirioThis book is probably the second best approach to the native Spanish speaker. The other book I would recommend has its flaws in that it may be too advanced for some. This book is presented at a good level for people of a wide range, where some may be review or everything may be totally new content.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat textbook0 of 0 people found the following review helpful. Two StarsBy JGThis had a rating of "fair", but the book was in awful shape.

This highly motivating and interactive book presents heritage speakers of Spanish with authentic materials that highlight Hispanic cultures within and beyond the United States. KEY TOPICS Unique in its approach to the development of the four language skills—listening, speaking, reading, writing, the book offers learners the opportunity to practice vocabulary and grammar consistently integrated with the content of the readings. For native Spanish speakers as well as advanced non-native learners of the language.

Language Notes Text: Spanish, English From the Publisher This flexible, activity-based language text builds upon the knowledge and skills that home speakers of Spanish bring to the classroom. It presents and practices language in an interesting and lively manner, using a thematic approach that highlights Hispanic cultures within and beyond the United States. Entre mundos is unique in its attention to the development of listening, speaking, reading and writing. From the Back Cover This highly motivating and interactive proficiency-based text presents native speakers of Spanish with authentic materials that highlight Hispanic cultures within and beyond the United States. Unique in its approach to the development of the four language skills, Entre mundos consistently integrates the practice of vocabulary and grammar within the context of the readings. New to this edition Updated and streamlined contemporary materials A listening comprehension strand En su diario a new section in each chapter focusing on reflective writing El poder de las palabras devoted to difficult translations and language usage problems common to bilingual speakers Wider range of writing activities includes a writing strategies section for each chapter Workbook providing students with opportunities to refine their academic language skills, further develop their linguistic repertoire, investigate cultural issues of each of the 20 Spanish-speaking countries, and hone their Internet research skills
