John Haywood : Everyday Life in the Ancient World (Illustrated History Encyclopedia) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Everyday Life in the Ancient World (Illustrated History Encyclopedia):

Learn amazing facts about the lifestyles and skills of past societies, and how they developed through time.

About the Author Dr John Haywood is an honorary research Fellow at Lancaster University and a Fellow of the Royal

Historical Society of Great Britain. He has written and contributed to many history books.
