**Cindy Kenkel : Extreme Resume Makeover: The Ultimate Guide to Renovating Your Resume** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Extreme Resume Makeover: The Ultimate Guide to Renovating Your Resume:

0 of 0 people found the following review helpful. Disc not included By Sasha The book refers to a disc which was suppose to be sold with it originally. It wasn't mentioned anywhere in description that something missing from this book. 0 of 0 people found the following review helpful. Good Book for learning tips and tricks for today's resume ... By Jaby Good Book for learning tips and tricks for today's resume writing. Written by a college professor, who teaches resume' writing. 0 of 0 people found the following review helpful. Five Stars By Bradley Good buy..... spot on description

Extreme Resum Makeover focuses on the written communication involved in finding a job, including resumes, cover letters, and thank you notes. #8220Before and after examples of real resumes are incorporated providing concrete visual examples to use as models for the final product. Each resume example indicates the errors in the initial attempt and suggested improvements. There are also sections on electronic formatting and electronic rsums, as well as lists of key words for various careers.
