From Brand: Lexicon Pub : Family Circle Encyclopedia of Cooking before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Circle Encyclopedia of Cooking:

1 of 1 people found the following review helpful. Five StarsBy RMonsonvery good book for first time cooks0 of 0 people found the following review helpful. Five StarsBy CustomerThe perfect cook book!2 of 2 people found the following review helpful. Grow up learning how to cook with this book, all the traditional meals and some neat surprises!By Mrs.GThis is my first cookbook back from before I knew how to slice an onion. These days I can do it all, and it's thanks primarily to this book. The pictures make it look a bit dated, when there are any, but do not let that deter you. There is wealth here! I have purchased many cookbooks over the years, and if I had to choose one, this would still be it, tried and true.First of all, it tells you how to cook. You won't find those bogus recipes that say "use ___ mix." Big pet peeve of mine. It teaches you how to roast a turkey! How to make a meatball, how to steam your veggies.When my parents went through their divorce and Dad was stuck learning how to do it from scratch I gave him my copy, and told him "this is all you're going to need" and he quickly learned how to make sauces, marinades, and he really impressed us in just a few short weeks. Independence, thy name is chef. Now he shops at William Sonoma and is the best roux maker in the family. And his turkey, artichoke meatballs are to die for.If you get this book, make sure to make the birthday cake that looks like a giant cheeseburger. It's oddly delicious and will bring a smile to the table!

Exhaustive list of easy recipes for the whole family to enjoy.
