HOBBY JAPAN, TEAS : Fantastic Human -Demi Human Encyclopedia of Fantasy World (HOBBY JAPAN Taizen Series) [JAPANESE EDITION JE] before purchasing it in order to gage whether or not it would be worth my time, and all praised Fantastic Human -Demi Human Encyclopedia of Fantasy World (HOBBY JAPAN Taizen Series) [JAPANESE EDITION JE]:

Humanoid race who have speaking of charm of the fantasy world, sword and magic, monster attacks, and ordinary

humans and the different features. Kaji has arms like logs lower striking Elf and stature is slender and beautiful, pointy ears tribe, dwarf. Wouldn't they protagonist of the fantasy world of fantasy and exaggeration. These 'tribes is not close to humans, but humans' that is called " in the book, cartoon and game of course familiar elves and dwarves, villain in goblins and trolls, and want to know badly until the tribes met in the fantasy works of the recent selection of 42 species. Portrayed by appearances or special skill, fantasy world, full of reality by Hidetoshi Fujii became the original legends, such as the explanations with illustrations and detailed. For two ' myths and legends on the Sanya people trifle ', ' creations on the Sanya people trifle "to introduce to the family in addition to many present major 42 species. Tribe appeared in the modern fantasy nearly able to encompass everything, know all in one. JAPANESE TEXT.
