**Noel Sheehy, Alexandra Forsythe : Fifty Key Thinkers in Psychology (Routledge Key Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fifty Key Thinkers in Psychology (Routledge Key Guides):

Fifty Key Thinkers in Psychology introduces the life, thought and work of some of the most influential figures who have shaped and developed modern psychology. It features accessibly written and fully cross-referenced entries on such figures as: Sigmund Freud, Noam Chomsky, Carl Jung, Ivan Pavlov, Jean Piaget, Anne Anastasi, Konrad Lorenz, Hans Eysenck and William James. This fascinating and informative guide is an invaluable resource for those studying, working in, or who simply want to find out more about psychology.
