Brad Rhoton : Find a Job Super Fast before purchasing it in order to gage whether or not it would be worth my time, and all praised Find a Job Super Fast:

This book gives people new ideas on how to find a job in days instead of weeks, or months. From the CEO to the first job for a teenager, everyone will benefit from this book.

My current job was not paying me enough, so I bought your book, did what you said to do, and now I'm making

31,000 a year more than my old job. I am really glad I bought your book. --Tim K, Scottsdale AZ
My husband started a new job in a new industry, with a 50% pay raise, 5 days after he read this book. --Stacey, Denver CO
I was out of work for 1 full year. I read Brad Rhoton's book "Find A Job Super Fast" and I started my new job 2 weeks later. Thank you Brad. You changed my life. --Maria L., San Antonio TX
About the Author
Brad Rhoton has 30 years of recruiting experience and 30 years in the staffing industry. He gives insight as to why some people find jobs in days and others take weeks or months.
