Karl Marx : Marx: Selected Writings (Hackett Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marx: Selected Writings (Hackett Classics):

0 of 0 people found the following review helpful. I'd highly recommend this.By CustomerWell-organized and thought provoking. Although it is a little beefy for a casual reader, it is still a substantial collection of one of the most insightful critical philosophers of the world. If you want to read Marx, I'd highly recommend this.0 of 1 people found

the following review helpful. Marx is well explained in this book, his view ...By CustomerMarx is well explained in this book, his view is more important today than ever, the rule of the capitalist elite and the future of work for the disenfranchised is approaching the crossroads that Marx envisioned. The only point not included, was the role of the consumer, which is one connection that is as important as the role of worker and exploiter, Capitalists need consumers, even if the worker is largely displaced by robots. Seen more clearly today is the role of the taxpayer, domestic borrower, and consumer, as the basis of all wealth for capitaist exploitation, to extent that these three classes of worker may lose everthing to the capitalist who also creates the medium of exchange backed only by law.0 of 2 people found the following review helpful. Five StarsBy Teresa BlodgettGreat

Featuring the most important and enduring works from Marx's enormous corpus, this collection ranges from the Hegelian idealism of his youth to the mature socialism of his later works. Organized both topically and in rough chronological order, the selections (many of them in the translations of Loyd D. Easton and Kurt H. Guddat) include writings on historical materialism, excerpts from Capital, and political works.

The Introductions are solid, accurate, readable, authoritative. The editor is well informed, and the selections provide a balanced introduction to Marx's central thoughts. --Daniel Little, Colgate University
