**Peterson's : MBA Programs 2004, Guide to, 9th ed (Peterson's Mba Programs)** before purchasing it in order to gage whether or not it would be worth my time, and all praised MBA Programs 2004, Guide to, 9th ed (Peterson's Mba Programs):

This book provides details on more than 3,300 MBA and masters-level business programs at more than 900 institutions. The book includes information on full-time, part-time, joint-degree, executive MBA, and distance learning programs. Institutions are listed alphabetically within state, province, or country, with all the information an applicant needs, including admission and degree requirements, entrance difficulty, enrollment figures, tuition, financial aid, faculty, and contact information. Articles cover topics like the advantages of getting an MBA in advancing a career, how to choose the right program and pay for it, and why an international school might be the right choice.

From the Publisher Features and Benefits: -Expert perspectives on the value of an advanced business degree. - Information on the latest hiring and salary trends. -Facts and figures on entrance requirements, types of degrees offered, postgraduate hiring rates, application contacts, costs, and financial aid. -Quick-reference program comparison chart.
