BrittI have tried several books for medical Spanish, and this is the best. The electronic flashcards and the audio dialogs are very helpful. I especially like Dr. Rios' friendly tone as she reads through the dialogs. Her explanations of grammar and pronunciation are excellent She also offers intensive immersion courses, but unfortunately, none in the New York area. Like any language program,3 of 3 people found the following review helpful. One StarBy RJ McKenzieOrdered the full price new version. Did not come with anything advertised. Only received book.3 of 3 people found the following review helpful. Five StarsBy CustomerWell organized and professionally presented. I plan to use it in my Medical Spanish class.
