James Major : Mel Bay Dulcimer Chord Encyclopedia before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mel Bay Dulcimer Chord Encyclopedia:

0 of 0 people found the following review helpful. Five Stars By Keith Hickman Good book. 0 of 1 people found the following review helpful. Four Stars By Customerlots of info 7 of 7 people found the following review helpful. For those about to jam, don't forget to pick up this book! By Erich Campbell I frequently play non traditional music, and with players of various instruments. Eventually I realized I needed a wider knowledge of chords to jump in to jams where I wasn't familiar. This book with its extensive selection of tunings and chords is an absolute must for players like me. With it you can really help out your improvisational playing and begin to make more complex arrangements.

A comprehensive chord encyclopedia for the mountain dulcimer in the common Mixolydian, Ionian, Dorian, Lydian, and Phrygian modal tunings. Three different tunings are presented for each mode!

About the Author Multi-instrumentalist James Major hails from suburban Detroit and started playing harmonica in 1966. In 1974 he founded the music education and lesson program at Acoustic Music in Salt Lake City. He later attended the Jazz Dept. at the University of Utah and in 1982 wrote the Dulcimer Chord Encyclopedia for Mel Bay Publications, Inc. Since then, he has written and produced several instructional music books. He's a seasoned music educator and continues to conduct seminars, individual and group lessons.
