David Friedman : MEMORABLE ONE-LINERS before purchasing it in order to gage whether or not it would be worth my time, and all praised MEMORABLE ONE-LINERS:

Memorable one-liners include such original one-liners as the following: On bachelors: "She knew I was a bachelor. When I offered her a seat, she found it was left up." And on luck: "I'm not too lucky. I once met this woman who

wanted to paint the town with me. It was part of her community service."Memorable one-liners is creative and humorous compilation of original one liners about bachelors, dating, marriage, work and even snoring and impotence, by Daytona. It's good fodder for around the water cooler or to toss out among friends. It will surely liven up any conversation or at the very least provide some gems worth mining!
