Good not great.By ZeroHard to read, with a lot of implied knowledge, this is ok for me but may be hard for others.6 of 6 people found the following review helpful. Save Your MoneyBy D. ScottI purchased this shop manual to aid me in winterizing my boat. This manual was of little or no help. The owners manual provided with the engine did a far better job. This manual covers such a wide range of engines that it is cluttered and difficult to navigate. I was very disappointed with this book and would not recommend it to anyone

that is not already familiar with Marine engine repair. 1 of 1 people found the following review helpful. Best buy ever.... (Worsr buy is owning a Mercrusier.)By Wild WillieIt's a Bayliner with a Mercrusier. Damn best buy I ever made. The book is damn near worn out, and all greased up with fingerr prints.My best advice is to buy one of them Japanese things. They don't need no fixin books.

MerCruiser Alpha One (1998-2004), MerCruiser Bravo One (1998-2004), MerCruiser Bravo Two (1998-2004), MerCruiser Bravo Three (1998-2004), Engines: (1998-2004), 3.0 L (1998-2004), 4.3 L (1998-2004), 5.0 L (1998-2004), 5.7 L (1998-2004), 350 Mag (1998-2004),
