Merriam-Webster : Merriam-Webster's Everyday Language Reference Set before purchasing it in order to gage whether or not it would be worth my time, and all praised Merriam-Webster's Everyday Language Reference Set:

0 of 0 people found the following review helpful. Five StarsBy annette prelleWonderful0 of 0 people found the following review helpful. Five StarsBy Darica D. RobertsThey're dictionaries and were new just what I needed.3 of 3 people found the following review helpful. I have sent this reference set to several incarcerated persons ...By RoseMarieI have sent this reference set to several incarcerated persons, and they are thrilled with it. They use it and share it with others as they further their education, answer arguments about spelling and grammar, and play word games.

An attractive, affordable reference set. Includes The Merriam-Webster Dictionary, The Merriam-Webster Thesaurus, and Merriam-Webster's New Vocabulary Builder. The perfect tool for students who need authoritative resources at their fingertips.

About the Author Since 1937, Merriam-Webster is America's foremost publisher of language-related reference works. The company publishes a diverse array of print and electronic products, including Merriam-Webster's Collegiate Dictionary, Eleventh Edition America's best-selling desk dictionary and Webster's Third New International Dictionary, Unabridged. Merriam-Webster can be considered the direct lexicographical heir of Noah Webster. In 1843, the company bought the rights to the 1841 edition of Webster's magnum opus, *An American Dictionary of the English Language, Corrected and Enlarged*. At the same time, they secured the rights to create revised editions of the work. Since that time, Merriam-Webster editors have carried forward Noah Webster's work, creating some of the most widely used and respected dictionaries and reference books in the world.
