I could remember her making seafoam candy from the cookbook when I was small. The book I found did not have the candy recipes in it. I was thrilled to find this book! It was in almost new condition and actually better than described. It arrived a day early as well. Completely delighted!0 of 0 people found the following review helpful. Five StarsBy kaylove the old cook books, bought vol. 2 at a rummage sale. had to have vol1. good condition0 of 0 people found the following review helpful. Five StarsBy CustomerThis is my mother's cookbook. It is a treasure.

This classic 847 page cookbook provides meal planning tips, suggestions for shopping, measurements and equivalents, a chapter on food preserving and canning and dozens of tested recipes for appetizers, beverages, breads, cake, candy, cereals, cheese, cookies and dessert.
