From Equity Press : Microsoft Internet Information Server Interview Questions, Answers, and Explanations: Microsoft IIS Certification Review before purchasing it in order to gage whether or not it would be worth my time, and all praised Microsoft Internet Information Server Interview Questions, Answers, and Explanations: Microsoft IIS

Certification Review:

The Ultimate Reference Learning Guide for Microsoft IIS Administration careers! Over 150 Certification Questions, Answers, and Explanations It's clear that IIS is an important skill set for a career in the administration of Windows platforms, and finding clear, user-friendly up-to-date resources can be difficult. Over 150 Microsoft IIS Interview Questions, Answers, and Explanations guide you through your learning process. From helping you to assess your skills to evaluating candidates for a job, IIS Certification Questions, Answers, Explanations will help you understand what you really need to know. Each question includes everything you need to know to master the interview or properly evaluate a candidate. More than just a rehash of Microsoft documentation and sales presentations, each question is based on project knowledge and experience gained on successful high-profile Oracle implementations. Key certification and interview topics include: Server security. New features of IIS. HTTP, Compression, Caching, and Diagnostics Modules. Common challenges and troubleshooting.
