**Tery Sanchez-Clark : Microsoft Sharepoint Interview Questions: Share Point Certification Review** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Microsoft Sharepoint Interview Questions: Share Point Certification Review:

The Ultimate Reference Learning Guide for Microsoft Sharepoint! Contains Comprehensive Selection of Interview Questions, Answers, and Explanations It's clear that Microsoft Sharepoint is the future for enterprise information portals and easy document workflow. Finding up to date resources to assist in your job search can be challenging. This guide will help you through your learning process, whether you need to become familiar with Sharepoint for the first time, if you are preparing for a job interview, or if you just need a brush-up and review. Key topics include: Version control, document approval, search of external content sources, and a review of new features such as flexible hierarchy of content ideas, and added personalization services. Also covered will be Sharepoint's adaptability to Intranet, Extranet, and Intranet configurations. Areas of focus include: . Troubleshooting installations, setup, error messages, and system status. . Troubleshoot in a heterogeneous setting of intranet, internet, or web-based configurations . Preventative maintenance techniques. . Permissions and security
