Lena Tabori, Alice Wong : Mom's Almanac before purchasing it in order to gage whether or not it would be worth my time, and all praised Mom's Almanac:

1 of 1 people found the following review helpful. absolutely LOVE this book!By Nicole WintermyerI got this book as a present at my baby shower and at first glance thought nothing of it. After getting it home and reading it, I LOVE it. I love the illustrations, the information and the flow of it. I think it really made a wonderful baby shower gift, especially for a new mom! i now buy it for my expecting friends.5 of 5 people found the following review helpful. FORGET the 'Baby' Books This is ALL you need!By Spatzie~LoveMy husband bought this as a gift for me. After waiting for years for our first child I needed LOTS of gifts while I was pregnant to prepare the home for his arrival.THIS BOOK IS BY FAR THE BEST!!!! Not just for baby info, but for the formative first years. It has it all! Good baby food recipes, baby necessities list, baby and toddler first aid, fun games to play with your newborn into the toddler years, how to begin family traditions, and MUCH more.The style of the book is delightful. Yes, the pictorals are from the twenties-forties, but all of the information is current. A much more useful book than any regular baby/new mom book on the market (I

should know, I own a ton of them).I plan to buy more of these as gifts for every new mom I know.0 of 0 people found the following review helpful. Baby and family how-to.By Jeanine BilleaudA real treasure. Full of vintage images with helpful ideas: some useful, all interesting! Helps young moms to organize, love, nourish and most of all - enjoy their family. I'm mom of many, no little ones any more and am enjoying reading it. It will be a great baby shower gift to nurture an expecting mom.

From the creators of the best-selling *The Little Big Book for Moms* comes another treasure for mothers: *Mom's Almanac*. Part reference, advice, and resource guide, and part cookbook, keepsake, activity, and crafts book, this almanac is packed with information and fun. It is brilliantly designed to showcase more than 300 pieces of vintage children's illustrations from beloved artists such as Jessie Willcox Smith, Kate Greenaway, and Maud Humphrey. *Mom's Almanac* will be organized into seven themed chapters: 1. *The Bare Essentials* - All the best basic information for mom, organized for easy reference with sleep and growth charts; first air and stain removal lists; potty training and discipline tips; age accomplishments; and developmental guides. Includes recommended books and web sites for further information. 2. *Feeding Time* - This chapter is a book in itself! It includes basic nutritional information and advice for a family's healthy diet; handy lists and charts, such as perfect pantry list, food storage charts, and freezing charts; and recipes and ideas for meals, snacks, and treats. 3. *Having Fun* - Suggestions, ideas, and activities for having fun, from stocking a dress-up box to raising you own butterflies; from star charts to quick retelling of favorite fairy tales; from great playground and car games to birthday party activities. 4. *Stepping Out* - Wondering where to go with your kids? This chapter is filled with top 10 and favorite lists, web sites for information, and suggestions for everything from easy outings to trips to cities and national parks. 5. *Seasons and Holidays* - Activities, recipes, and ideas for enjoying special times of the year with your children, including Christmas cookies and Halloween slime gelatin; nature walks in spring, and preserving leaves in autumn. 6. *Preserving Memories* - Tips and ideas for capturing all the magic of childhood for posterity, including how to take great pictures, select items to save, make baby or school-year scrapbooks, and create rituals to treasure. 7. *The Best of Everything* - Lists for everything from music and movies to books and toys for different age groups. Includes off-beat favorites.

About the AuthorAlice Wong has produced or edited numerous titles, including *The Little Big Book for Moms* and *The Little Big Book for Grandmothers* (both with Lena Tabori for Welcome), and Disney's *Winnie the Pooh: A Celebration of the Silly Old Bear* (for Disney Editions). She has three children - ages one, five, and seven. Lena Tabori has conceived and edited numerous books including *Love: A Celebration in Art and Literature* (with Jane Lahr for STC), *The Little Big Book for Dads* (with H. Clark Wakabayashi for Welcome), and *The Little Big Book of Christmas* (for William Morrow).
