Love From Mom : Mom's cooking: Recipes for my Son before purchasing it in order to gage whether or not it would be worth my time, and all praised Mom's cooking: Recipes for my Son:

I always knew that one day you will grow up and eventually leave the house. Now, it is time to take on the world. Be the man I raised you to be. Take this recipe book with you. It will warm your heart and keep you full. I love you my boy. Mom This recipe journal is perfect for all mom's raising the husbands and men for tomorrow. Whether your son is about to leave or whether they are still growing up, get yourself a copy and write down all his favourite recipes.

Included is a special dedication page. Write your own dedication to the boy you love. A perfect gift for a mother to her son!
