JaffarGreat quality but not well thought out-Some colours have random objects that could have been any colour, for example, a green toothbrush or shirt, or a purple hat... more effective when objects are actually the colour described.1 of 1 people found the following review helpful. Five StarsBy Aisha.O.KGood1 of 1 people found the following review helpful. Perfect bi-lingual baby bookBy CustomerMy husband is Syrian and I am American, the book is perfect for our little girl to learn. I would give it 5 stars but some of the words do not match the Syrian Arabic word. I have studied the Arabic letters but I am horrible at common nouns.

Guaranteed to enrich a toddlers vocabulary, this simple and fun series of bilingual board books is ideal for helping children discover a foreign language. Highlighting the two basic concepts of colors and numbers, this collection combines photographs and colorful illustrations. All images include the words in both English and the second language in clear, bold text. Suitable for toddlers on their own or in groups, these books are a childs perfect

introduction to exploring new languages.
