An excellant tool for encouraging reading in young children.By Bill Clark (bclark@mail.coin.missouri.edu)This book offers engaging pictures of common everyday objects along with the words for each object. They are arrainged in groups by topics such as animals, professional jobs, vehicles etcetera. This fun format encourages kids to search for their favorite items so they can learn how to spell them.

Words and matching pictures are grouped under such topics as People, Animals, Places, and Things.
